Emmanuelle,

Attached is my updated (as of November 14, 2016) travel schedule for the trip to Hopi. I ended up making reservations for 2 rooms at the Hopi Cultural Center. I had to get approval from the General Manager to get a government rate of \$91/night there. I figured it was easier to make the reservations for 2 rooms rather than having you go through the same process and maybe not getting the \$91/night rate.
